

JFB 20 G

Load capacity: 2 x 10 t

Height: 180 mm

Art.-Nr. 10 203 140-V

Advantages of this transport trolleys

- From JLB 20 up, pivoting cassettes and axles within the frame assure even pressure distribution across all castors and across the floor. No need for complex and expensive hydraulic compensation system.
- The double castor design results in dramatically easier steering and also causes the trolleys on the rear axis to follow in a truer course.
- All transport trolleys are ready for use.
- The adjustable-width transport trolley consists of two transport units and connecting bar.
