

## JUWathan® plus series K

Load capacity: 0,75 t

Art.-Nr. 95 050 057-V

### Advantages of the JUWathan® castor design

- Based on the JUWathan® castor, the JUWathan®-plus castor has an improved coating material and a more advanced construction. An aluminum core replaces the steel core for easier handling at the same strength. A polyurethane based coating material is bonded around the aluminum core. This construction reduces the rolling resistance and weight by nearly 30 percent.
- We grant 5 years of warranty on operability of our wheels except improper use or normal abrasion.

## Technical data

Title	Unit	Data
Load capacity	kg	750
Outside diameter	mm	85
Inside diameter	mm	25
Fitting length	mm	85
Weight	kg	0,85
