

JUVATHAN® plus series K professional

Load capacity: 0,875 t

Art.-Nr. 95 050 089-D

Advantages of the JUVATHAN® castor design

- JUVATHAN® plus castor design: Based on the JUVATHAN® castor, the JUVATHAN®-plus castor has an improved coating material and a more advanced construction. An aluminum core replaces the steel core for easier handling at the same strength. A polyurethane based coating material is bonded around the aluminum core. This construction reduces the rolling resistance and weight by nearly 30 percent.
- We grant 5 years of warranty on operability of our wheels except improper use or normal abrasion.

Technical data

| Title | Unit | Data |
|------------------|------|------|
| Load capacity | kg | 875 |
| Outside diameter | mm | 85 |
| Inside diameter | mm | 25 |
| Fitting length | mm | 85 |
| Weight | kg | 1,05 |
