

# Adjustable trolley JFB 15 G

High-performance transport trolley from JUNG. The JFB 15 G transport unit transports loads up to 15 t with an installation height of 180 mm.

**Product number** 10 153 140-V

**Weight** 63kg

## Product description

Advantages of the transport trolley JFB 15 G

- The double castor design results in dramatically easier steering and also causes the trolleys on the rear axis to follow in a truer course.
- All transport trolleys are ready for use.
- The adjustable-width transport trolley consists of two transport units and connecting bar.
