High-performance transport trolley from JUNG. The JFB 15 G transport unit transports loads up to 15 t with an installation height of 180 mm.

Product number 10 153 140-V

Weight 63kg

Product description

Advantages of the transport trolley JFB 15 G

- The double castor design results in dramatically easier steering and also causes the trolleys on the rear axis to follow in a truer course.
- All transport trolleys are ready for use.
- The adjustable-width transport trolley consists of two transport units and connecting bar.
