

Tandem trolley JTL 20 G

For transporting loads without a center point support - the tandem trolleys JTL 20 G for loads up to 20 t.

Product number 12 202 140-V

Weight 168kg

Product description

Advantages of tandem trolleys JTL 20 G Professional

- Big castors provide optimal rolling characteristics on uneven surfaces and rough pavements.
- Safely overcomes small ledges, cracks in the concrete and countersunk rail tracks.
- Multi-purpose use: also useable as two single trolleys, each with half of the combined load capacity. No additional accessories needed.
- Custom solutions available.
- Tandem transport trolley in other lengths available on request.

Product properties
