

Castor JUWathan® series S

High-quality JUWathan® castors of the S series. Suitable for use on plain and clean floors and can also be used on floors with small unevenness and dirt.

Product number 95 050 304-V

Weight 0.95kg

Product description

Advantages of the JUWathan® castor design

- The coating is molded around a steel core. Two precision ball bearings are pressed into the steel core.
- We grant 5 years of warranty on operability of our wheels except improper use or normal abrasion.
