

# Multi-purpose trolley JLF Set 12

Agile and powerful multi purpose transport trolley from JUNG. The JLF Set 12 transport trolley transports loads up to 12 t with an installation height of 150 mm.

**Product number** 16 120 085-D

**Weight** 89kg

## Product description

Advantages of multi-purpose transport trolley JLF Set 12

- Combined leading swiveling castors with trailing rigid castors. Swiveling lead castors make steering easier by up to 80 %.
- Ergonomic: reduces handling effort for user.
- Better directional stability on long straight-line paths with trailing rigid castors.
- Each trolley can be used for either steerable or straight-line movements.
- Extreme maneuverable with thrust bearing supported, anti-slip turntable.
- Each wheel set cassette can be used as a steering mechanism, wheel set or tandem wheel set.
- Ideal for transporting loads on slalom paths including 90° true-to-course straight line, turning and sideways maneuvering.
- Floor protective, non-marking coating.
- Despite its low weight, the wheel set can move heavy loads.
- Included in set is an additional pulling handle for steering of rear-trailing trolleys for tighter turning radius.

## Product properties

<b>Number of castors / twin castors (pcs.)</b>	2 x 4/2 + 1 x 4/4
<b>Load capacity (t)</b>	12
<b>Handlebar with pulling eye (mm)</b>	1 210
<b>Weight JUWathan®plus (kg)</b>	95
<b>Castor dimensions (Ø x l mm)</b>	85 x 43
<b>Height (mm)</b>	150
<b>Connecting bar Ø x L (mm)</b>	20 x 1 200
<b>Dimensions (mm)</b>	410 x 420
<b>Load capacity (suitable)</b>	11 - 15 t
<b>Supporting surface of turnable Ø (mm)</b>	150
