

# Steerable trolley JLB 40 H Professional

Power and stability - the JLB 40 H transport trolley from JUNG can lift loads of up to 40 t with an installation height of 230 mm.

**Product number** 09 400 206-H

**Weight** 314kg

## Product description

Advantages of the transport trolleys JLB 40 H

- Unrivalled: Small and lightweight trolleys at super high capacity.
- Steerable transport trolleys with pivoting cassettes for a better load distribution at all castors and the floor.
- All transport trolleys are ready for use.
- The steerable transport trolley is fitted with a ball bearing supported turntable and a handlebar.
- Also available as Professional version with JUWathan twin castors: the double castor design results in dramatically easier steering due to reduced friction forces in curves.

## Product properties

<b>Handlebar with pulling eye (mm)</b>	1 600
<b>Weight JUWathan® (kg)</b>	314
<b>Supporting surface of turntable Ø (mm)</b>	250
